40/4 wood frame and 40/4 metal

By David Rowland

Most people see the 40/4 as a pioneering design that has stood the test of time. The 40/4 wood frame is an alternative to the original chair with its iconic steel rod sled frame

- 10 year warranty
- Stacks 25 chairs with wood frame
- Stacks 40 chairs in metal
- Wood frame also with seat upholstered
- EN 16139 (wood frame)
- FSC/PEFC certified
- GreenTag^{Certified}

Notes for chairs

Price list 2024 - DKK excl. V.A.T. - Version 1.1

General

HOWE standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks.

In case of large quantities and/or customized products delivery time will be determined on a case-by-case basis.

The following products may have a slightly longer lead time so please ask HOWE:

- 40/4: Slim Armchairs, Dining height, Barstools, Veneer (other than Walnut/Oak/Black Stained), Xtra, Lounge, Wood
- SixE: 4-leg on castors, Brace-linking, Barstools
- AS100 upholstered

For chairs with upholstery, the lead time starts being counted once fabric reaches the production line.

We recommend linking only for chrome frames.

Frame colours from RAL K5 colour card are available. For quantities < 200 chairs the colour fee is 1630 DKK per RAL colour. For quantities ≥ 200 chairs there is no fee. Visual impressions of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Stained veneer is possible with RAL colours from RAL K5 colour card. For quantities < 200 chairs the colour fee is 740 DKK per RAL colour. For quantities ≥ 200 chairs there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

We recommend only stacking chairs with chrome frame.

Veneer is a natural material - differences in structure and colour may occur.

Upholstered armrests are as standard in the same fabric/leather type and colour as the seat and the back.

Soft castors are recommended for hard floors, hard castors are recommended for soft floors.

40/4

Table surface protection protects the table surface when the chairs are hung up; it may be used only for non-linking chairs.

Please be aware that extra glides are not available for wooden frames.

40/4 can be stacked on a single, double, triple or quarto dolly. Double, triple and quarto can only be used with hook/eye linking.

As standard chair top frame and its swivel base are of the same colour but be aware that they are always matched by the chrome gas lift.

Glides for linking side chairs; the whole set for one linking side chair comprises of one male glide and one female glide at the front part of the frame (reinforcing the linking in the front part of the chair frame) plus two regular glides at the rear part of the frame; whether these are glides with or without felt depends only on customer's needs.

Regular glides are suitable for non-linking side chairs, for all types of armchairs and for lounge chairs; the whole set comprises of four clear regular glides per chair.

Glides for barstool with both chrome and painted frames; the whole set comprises of four regular glides per chair.

MN1

Fixed seating height - there is no possibility to install both height adjustable and return mechanism together.

Gas lift is black for black base and chrome for polished aluminium base.

SixE

Bag hook is recommended only for polypropylene backs.

FABRICS

Enhance your designs with consciously chosen fabrics of top-notch performance and sustainable profiles. If you're seeking a solution that goes beyond standard options, please contact HOWE Customer Service.

AS400

By Andreas Störko

The AS series is highly inspired and highly functional. Combining elegance and utility with true mobility, the family of nesting chairs and tables leaves room for all imaginable purposes.

- 10 year warranty
- Café height tables
- Unbelievably easy to manoeuvre
- Intuitive flip-top mechanism
- Special handle allows to lift the AS tables
- Smart elastic cord firmly joins concave tables
- Rubber bumper protects tables from scratches
- An infinite number of tables can then be nested together

Notes for tables

Price list 2024 - DKK excl. V.A.T. - Version 1.1

General

HOWE standard delivery times in EU are usually: Chairs 4-6 weeks, Tables 5-7 weeks.

In case of large quantities and/or customized products delivery time will be determined on a case-by-case basis.

The following products may have a slightly longer lead time so please ask HOWE:

- Simpla: Trapezoidal
- Tutor: 1390 mm double table (for armchairs and swivel chairs), F200 black tabletop

In case of using any electrification, accessories, or making configurations, the lead time starts being counted once technical drawings are approved by the customer.

Linking is recommended to ensure strong connection and levelling. Please use for both temporary and lasting tables' arrangements.

Veneer is a natural material - differences in structure and colour may occur.

Linoleum is a natural material - the variation of colours may appear due to a natural phenomenon called "drying room yellowing". In such case, please expose the top to either natural or artificial light to allow the tint to disappear.

Crescent shape – the inside curve of top may be exchanged for straight edge, especially if Modesty panels are needed – ask Customer Service for details.

Table ranges are estimates, mostly for rectangular tops. For non-rectangular tables or questions for sizes outside of the ranges, please contact your local Customer Service (CS) representative. If chamfered edges are requested, minimum size increases - check with CS.

Moveo

Moveo linking for rectangular and V-shaped tables includes 4 brackets and 4 fittings. Moveo linking for half-round and half-boat tables includes 2 brackets and 2 fittings. This type of linking is available for tables with straight edges only. Another linking type is available for tables with chamfered edges. Here you also get 4 brackets and 4 fittings for rectangular and V-shape tables as well as 2 brackets and 2 fitting for half-round and half-boat tables.

All RAL colours from RAL K5 colour card available. For quantities < 20 tables the colour fee is 1780 kr. per RAL colour. For quantities ≥ 20 tables there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Simpla

Please note that Simpla linking does not need any pre-drills and may be ordered at any time as a separate accessory. There are 2 pcs of linking recommended per a set of two tables.

Please note that Modesty panels for Simpla are just hanged on the frame and may be ordered at any time as a separate accessory.

All RAL colours from RAL K5 colour card available. For quantities < 50 tables the colour fee is 1780 kr. per RAL colour. For quantities ≥ 50 tables there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Tempest

Tempest linking for rectangular, crescent and square tables includes 4 brackets and 4 fittings. Tempest linking for half-round tables includes 2 brackets and 2 fittings. This type of linking is available for tables with straight edges only. Another linking type is available for tables with chamfered edges. Please contact HOWE for options.

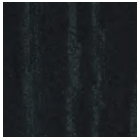

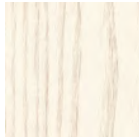

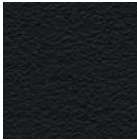

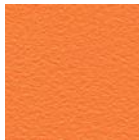

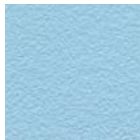

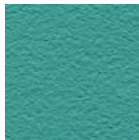

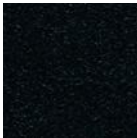

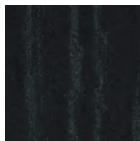

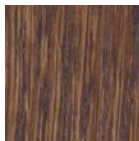

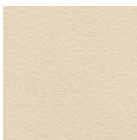

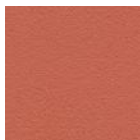

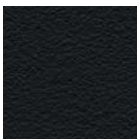

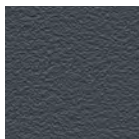

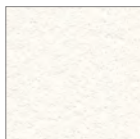

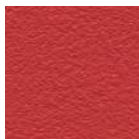

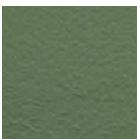

All RAL colours from RAL K5 colour card available. For quantities < 20 tables the colour fee is 1780 kr. per RAL colour. For quantities ≥ 20 tables there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Usu

Please note that Usu linking may be ordered at any time as a separate accessory.

Tutor

All RAL colours from RAL K5 colour card available. For quantities < 50 tables the colour fee is 1780 kr. per RAL colour. For quantities ≥ 50 tables there is no fee. Visual impression of particular RAL may differ on various surfaces. Preparing product's sample(s) is compulsory. Lead time to be confirmed by HOWE CS.

Generelle salgsbetingelser

Prisliste 2024 - DKK excl. moms - Version 1.1

Generelt

Nærværende generelle salgs- og leveringsbetingelser finder anvendelse på enhver aftale indgået mellem HOWE A/S (herefter HOWE) og dets kunder (herefter Køber), medmindre der er indgået anden udtrykkelig skriftlig aftale mellem parterne.

Aftaleindgåelse m.v.

En aftale er først indgået når HOWE har accepteret et af køberen afgivet tilbud ved udstedelse af en ordrebekræftelse, faktura eller anden tilsvarende skriftlig aftale og dermed på baggrund af de heri specifikt angivne vilkår. Samtlige priser anført i prislister og kataloger er angivet inklusive emballage, herunder f.eks. paller og containere og i øvrigt eksklusive skatter, moms og øvrige afgifter. HOWE forbeholder sig ret til regulere de anførte priser uden forudgående varsel som følge af stigninger i prisen på råmaterialer, produktionsomkostninger, transportudgifter, emballage eller andre pludselige ændringer i omkostningsniveauet. Alle aftaler indgås dermed på baggrund af de priser, som gælder på ordremodtagelsestidspunktet.

Aftalegrundlaget udgøres af de oplysninger, herunder i relation til pris, materialer og egenskaber m.v., der er angivet i ordrebekræftelsen, faktura eller anden tilsvarende aftale, idet øvrige oplysninger alene kan anses at have været vejledende og om nødvendigt berigtiget senest ved aftaleindgåelsen. Med mindre andet fremgår af udtrykkelig, skriftlig aftale, er varerne solgt med henblik på normal og almindelig anvendelse efter deres tiltænkte formål.

Betaling m.v.

Betalingsbetingelserne er underlagt kredittforsikring hos Coface. I tilfælde af at en kunde ikke kan blive forsikret, vil der skulle ske forudbetaling eller stilles en bankgaranti. Såfremt betalingsbetingelser med kredit kan blive bevilliget, skal betalingen ske i overensstemmelse med betalingsbetingelserne angivet på fakturaen, hvilket som udgangspunkt vil sige, at betaling skal ske kontant senest 30 dage efter fakturadato ("netto 30 dage") med mindre andet udtrykkeligt er aftalt. Køber er ikke berettiget til at tilbageholde nogen del af sin betaling og kan i øvrigt ikke opfylde sine forpligtelser ved modregning eller lignende. Ved forsinket betaling er HOWE berettiget til at opkræve renter med 0,75 % pr. påbegyndt måned og efter omstændighederne tillige til helt eller delvist at udskyde efterfølgende leverancer, fastsætte særlige betalingsvilkår eller i øvrigt til – om nødvendigt – at ophæve aftaler med den pågældende. HOWE er berettiget til at opkræve et rykkergebyr ved for sen betaling på 74 kr. per rykker. HOWE sender alle fakturaer pr. e-mail. Ønsker man en faktura sendt med posten, er HOWE berettiget til at opkræve et fakturgebyr på 30 kr.

Ejendomsforbehold

HOWE bevarer ejendomsretten til samtlige de varer, der fremgår af ordrebekræftelsen eller anden tilsvarende skriftlig aftale, indtil den fulde købesum er blevet betalt. Køberen er forpligtet til at holde varerne fuldt forsikrede indtil købesummen er betalt ligesom Køberen i denne periode er ansvarlig overfor HOWE for enhver skade, som varerne måtte lide. HOWE har til enhver tid ret til at besigtige varerne.

Levering

LEVERINGSOMKOSTNINGER

Medmindre andet er aftalt foretages levering i EU, Storbritannien, Norge og Schweiz til købers lager i stueetagen uden omkostninger for køber.

Standardleverancer foretages mellem kl. 8.00 og 18.00. Hvis lageret har andre åbningstider, skal HOWE oplyses herom ved afgivelse af ordren. Bemærk venligst, at lageret skal være åbent i mindst 4 timer uafbrudt i ovennævnte periode.

Uden for EU, Storbritannien, Norge og Schweiz er køber ansvarlig for at organisere afhentning af varer fra HOWE's lager for købers regning og risiko. HOWE er ansvarlig for at laste varerne på det transportkøretøj, som køber har valgt, samt for at organisere eksportfortoldning. Køber har 10 dage fra modtagelsen af oplysninger om varenes tilgængelighed til at afhente varerne og arrangere transport fra HOWE's lager. Senere opkræves der en supplerende afgift på 10 EUR pr. palle pr. påbegyndt måned, dog med et minimumsgebyr på 40 EUR pr. måned eller en del heraf. Tidsfristen for opbevaring af varerne på HOWE's lager er 60 dage. Efter denne periode bliver der ud over opbevaringsgebyret pålagt en bøde på 1,5 EUR pr. dag.

På købers anmodning tilbyder HOWE's speditør gratis meddelelse om levering eller aftale om leveringsdato via SMS eller e-mail. Hvis køber anmoder om et telefonopkald for at aftale en leveringsdato med speditøren, opkræves der et ekstra gebyr på 15 EUR.

Hvis betalingen ikke sker forud for det planlagte og bekræftede afsendelsestidspunkt, opkræves der et supplerende gebyr på 10 EUR pr. palle for hver påbegyndt måned, dog med et minimumsgebyr på 40 EUR pr. måned eller en del heraf. Tidsfristen for opbevaring af varerne på HOWE's lager er 60 dage. Efter denne periode bliver der ud over opbevaringsgebyret pålagt en bøde på 1,5 EUR pr. dag.

Der gælder yderligere gebyrer for leverancer, der ikke opfylder HOWE's ovenstående leveringsstandarder:

Ordre uden fast leveringsdato, men med korte åbningstider (mindre end 4 timer kontinuerligt eller andre leveringstider end fra 8.00 til 18.00): 250 EUR fragtagt

- Ordre under netto 500 EUR: 100 EUR fragtgebyr
- Fast leveringsdato til lager: 500 EUR gebyr
- Fast leveringsdato og 2 timers tidsinterval: 500 EUR + 100 EUR gebyr
- Levering til køber direkte (udfyld skabelon): 500 EUR gebyr
- Levering til kundens adresse: 500 EUR

Hvis køber anmoder om direkte levering til adressen, er denne forpligtet til at udfylde formularen "Direkte levering" med alle oplysninger, der er nødvendige for at organisere dedikeret transport.

ORDREÆNDRINGER/-RETTELSE

Køber kan anmode om ændring af leveringsadressen til en anden facilitet, der opfylder HOWE's leveringskrav:

- Dette er gratis, hvis ændringen foretages 8 dage inden afsendelsesdatoen
- Hvis ændringen foretages inden for en uge før afsendelsesdatoen, tilføjes et gebyr på 100 EUR til salgsordren
- Hvis ændringen sker efter afsendelsesdatoen, skal køber dække alle ekstra speditøromkostninger, men ikke mindre end 150 EUR.

Adresseændring til en anden facilitet, der opfylder HOWE's krav	Omkostninger
Senest 8 dage inden aftalt afsendelsesdato	Gratis
Samme uge som afsendelse	100 EUR
Efter afsendelsesdato	Alle ekstra omkostninger, men ikke under 150 EUR

Køber kan anmode om udsættelse af afsendelsen:

- Dette er gratis, hvis ændringen sker inden for 10 dage fra modtagelse af ordrebekræftelsen fra HOWE
- Hvis ændringen foretages senest 8 dage før aftalt afsendelsesdato, opkræves der et supplerende gebyr på 10 EUR pr. palle pr. måned eller en del heraf, dog med et minimumsgebyr på 40 EUR pr. måned eller en del heraf. Gebyret beregnes fra den første dag efter den oprindelige afsendelsesdato.
- Der kan ikke foretages ændringer på et senere tidspunkt

Tidsfristen for opbevaring af varerne på HOWE's lager er 60 dage. Efter denne periode bliver der ud over opbevaringsgebyret pålagt en bøde på 1,5 EUR pr. dag.

Ændring af afsendelsesdato	Omkostninger
Inden for 10 dage fra køber modtager ordrebekræftelse	Gratis
Senest 8 dage før afsendelse	10 EUR pr. palle pr. påbegyndt måned, ikke mindre end 40 EUR månedligt
Inden for 7 dage før afsendelsesdato	DER KAN IKKE FORETAGES ÆNDRINGER

SKADER

Uanset om køber er til stede på leveringstidspunktet eller ej, overgår alle risici i forbindelse med varerne til køber ved levering på den aftalte adresse.

Synlige skader skal noteres i speditørens fragtbrev straks ved levering. Skader skal angives i detaljer. En skriftlig klage skal derefter sendes til os og speditøren inden for 7 dage fra modtagelsen af varerne. Ikke-synlige skader skal indberettes skriftligt til HOWE og speditøren inden for 7 dage fra modtagelsen af varerne. Eventuelle klager, der indsendes efter denne periode, vil ikke blive accepteret.

Enhver afvigelse fra leveringsbetingelserne anses for at udgøre en afvigelse fra ovenstående, i hvilket tilfælde køber overtager risikoen i forbindelse med varerne på det tidspunkt, hvor varerne blev afhentet eller skulle have været afhentet i overensstemmelse med den indgåede aftale.

HOWE's standard leveringstid i EU er som regel: Stole 4-6 uger, Borde 5-7 uger. Ved store ordrestørrelser og/eller kundetilpassede produkter fastlægges leveringstiden fra projekt til projekt.

Gebyr og MOQ for ikke-standardiserede valg

For alle ikke-standardiserede produkter opkræves et gebyr på 3700 DKK. I de fleste tilfælde er der også en minimumsbestillingsmængde (MOQ).

Købers annullering af aftale

Såfremt Køber måtte ønske at annullere aftalen kan dette ske indtil 48 timer efter udstedelsen af ordrebekræftelsen, for så vidt der på dette tidspunkt ikke endnu er påbegyndt tilvirkning/afsendelse/levering af varerne, mod betaling af 5 % af købesummen samt det eventuelle overskydende tab HOWE måtte lide som følge af annulleringen. Når der er forløbet mere end 5 dage efter udstedelse af ordrebekræftelsen, kan aftalen alene annulleres indtil 4 (fire) uger før bekræftet afsendelsesdato mod betaling af 50 % af købesummen med tillæg af transport- og administrationsudgifter og det eventuelle overskydende tab HOWE måtte lide som følge af annulleringen. Herefter kan aftalen ikke annulleres.

Forsinkelse

Det bekræftede leveringstidspunkt er kun en anslået frist, idet HOWE er berettiget til at foretage såvel ændringer i som midlertidigt at udskyde leverancer af hensyn til en hensigtsmæssig tilrettelæggelse af vareleveringerne og administrationen. HOWE kan ikke holdes ansvarlig for det eventuelle tab Køber måtte lide som følge af ændret eller udskudt leveringstidspunkt. Ydermere tilbyder HOWE ikke automatisk lånemøbler i disse situationer.

Mangler mv.

HOWE er alene ansvarlig for mangler ved de solgte varer i det omfang disse skyldes forhold ved de anvendte materialer eller den håndværksmæssige udførelse. HOWE er således navnlig ikke ansvarlig for forhold, som skyldes forkert eller unormal anvendelse eller opbevaring, herunder i relation til klima- og temperaturforhold og i øvrigt i forhold til HOWE's instruktioner.

Når risikoen for varerne er overgået til Køberen, kan HOWE alene holdes ansvarlig for fejl og mangler i det omfang, som fremgår af nærværende bestemmelse.

Køber er forpligtet til at gennemføre en udførlig undersøgelse af varepartiet straks efter modtagelsen. Reklamation over mangler og/eller synlige transportskader, som bliver – eller burde være blevet – opdaget ved denne undersøgelse angives på fragtbrevet, som omgående returneres, således at HOWE straks orienteres herom. Senest syv (7) dage efter leveringsdagen skal en eventuel reklamation over "ikke-synlige" transportskader være HOWE i hænde ligesom reklamation over eventuelt konstaterede mangler i øvrigt i ethvert tilfælde skal fremsendes senest syv (7) dage efter at de er – eller burde være blevet – opdaget. Såfremt reklamation ikke foretages rettidigt efter denne bestemmelse, fortabes adgangen til at fremsætte krav i anledning af eventuelle mangler.

En reklamation skal være skriftlig og indeholde en specifik beskrivelse af manglen med tilhørende fotodokumentation eller alternativt ifølge med den mangelfulde komponent/vare.

I tilfælde af mangler, som HOWE måtte være ansvarlig for, er Køberen ikke berettiget til at gøre andet gældende end retten til at få udskiftet varerne, hvilket sker uden omkostninger for Køberen. Køberen er således navnlig ikke berettiget til at annullere handlen eller kræve forholdsmæssigt afslag, erstatning eller tilbagebetaling, med mindre den konstaterede mangel skyldes grov uagtsomhed eller fortsæt fra HOWE's side. HOWE kan dog under ingen omstændigheder holdes ansvarlig for driftstab, mistet profit, tidsbetingede tab eller andre indirekte tab, som Køberen måtte lide.

De mangelfulde varer tilhører HOWE og skal efter begæring returneres til HOWE. Køberen bærer som udgangspunkt omkostningerne og risikoen i forbindelse med denne transport. Med mindre HOWE udtrykkeligt har påtaget sig at indestå for salgsgenstanden i længere tid, kan HOWE under ingen omstændigheder holdes ansvarlig for fejl og mangler for hvilke der ikke er sendt skriftlig reklamation inden 2 år efter overleveringen til Køber.

Produktansvar

Køberen skal erstatte og holde HOWE skadesløs for ethvert erstatningskrav, som måtte blive rejst af en tredjepart på baggrund af en skade, som HOWE ikke er ansvarlig for overfor Køberen. HOWE er erstatningsansvarlig for skader som følge af defekter produkter i henhold til bestemmelserne i lov nr. 371 af 7. juni 1989 (produktansvarsloven). Erstatningsansvaret kan ikke overstige kr. 50.000 og HOWE kan under ingen omstændigheder gøres ansvarlig for driftstab, mistet profit, tidsbetingede tab eller andre indirekte tab. Køberen skal omgående informere HOWE om eventuelle tilfælde, hvor en tredjepart anlægger retssag eller i øvrigt fremsætter krav som følge af skade forårsaget af produkter fremstillet af HOWE.

Konstruktionsændringer

HOWE forbeholder sig ret til uden forudgående varsel at foretage sådanne ændringer i produkternes konstruktion m.v., som måtte findes nødvendige. Meddelelse om betydende ændringer vil i givet fald blive udsendt til Køberen inden levering.

Påberåbelse af rettigheder

Hvis HOWE undlader at udøve eller gøre en af de rettigheder gældende, som HOWE måtte have i henhold til nærværende betingelser, skal undladelsen ikke anses som et afkald på rettigheden fra HOWE's side. Det skal heller ikke hindre en sådan rettighed i at blive udøvet eller gjort gældende på et senere tidspunkt.

Tvister og lovvalg

Enhver tvist, som måtte opstå i forbindelse med opfyldelsen af den indgåede aftale, i relation til nærværende salg- og leveringsbetingelser samt ethvert forhold i tilknytning hertil skal afgøres af Sø- og Handelsretten i København. Enhver tvist skal afgøres i henhold til Dansk lov, nærmere betegnet bestemmelserne i lov nr. 237 af 28. marts 2003 (købeloven) i det omfang denne ikke blevet fraveget ved ovenstående.

HOWE forbeholder sig retten til at rette eventuelle trykfejl.

Garantier

Prisliste 2024 - DKK excl. moms - Version 1.1

Generalt

Hos HOWE anerkender vi værdien af produkter, der kan holde til kontinuerlig brug, og vi ved af erfaring, at gode materialer kombineret med godt håndværk og gennemarbejdet design giver robuste og holdbare møbler.

Vores høje og ensartede kvalitetspolitik sikrer, at vores produkter altid bliver testet efter de højest gældende internationale standarder og love. Vi stræber konstant efter at optimere vores produkter og ydelser for at opretholde det høje niveau af kvalitet og holdbarhed, som er forventet af et HOWE produkt.

HOWE A/S yder følgende garanti over for fejl og mangler i materialer og håndværksmæssig udførsel:

10 års garanti

Pr. 1. januar 1992 tilbyder HOWE ti (10) års garanti på alle stole i 40/4-sortimentet, designet af David Rowland. Garantien omfatter brud i svejsninger på stellet, defekte materialer samt mangelfuld håndværksmæssig udførsel og funktion ved normal anvendelse. Dette er med undtagelse af 40/4 wood, som har fem (5) års garanti.

Pr. 6. juli 2012 tilbyder HOWE 10 (ti) års garanti på Moveo og Tempest borde samt SixE stole. Garantien omfatter brud i svejsninger på stellet, defekte materialer samt mangelfuld håndværksmæssig udførsel og funktion ved normal anvendelse.

Pr. 1. maj 2021 tilbyder HOWE 10 (ti) års garanti på MN1 stole. Garantien omfatter brud i svejsninger på stellet, defekte materialer samt mangelfuld håndværksmæssig udførsel og funktion ved normal anvendelse.

Pr. 15. juni 2021 tilbyder HOWE 10 (ti) års garanti på AS stole og AS borde. Garantien omfatter brud i svejsninger på stellet, defekte materialer samt mangelfuld håndværksmæssig udførsel og funktion ved normal anvendelse. For foldmekanismer, gaslifte og hjul er det 5 (fem) års garanti.

5 års garanti

Pr. 1. januar 1992 tilbyder HOWE 5 (fem) års garanti på alle andre produkter i møbelkollektionen undtagen Folding Surfaces. Garantien omfatter brud i svejsninger på stellet, defekte materialer samt mangelfuld håndværksmæssig udførsel og funktion ved normal anvendelse.

2 års garanti

På alle strøm og data løsninger refererer vi til vores underleverandører, som yder 2 (to) års garanti. HOWE's garantiperiode er gældende fra datoen for forsendelse.

På Folding Surfaces HOWE 2 (to) års garanti. Garantien omfatter brud i svejsninger på stellet, defekte materialer samt mangelfuld håndværksmæssig udførsel og funktion ved normal anvendelse.

Undtagelser

Garantien gælder ikke produktfejl som følge af:

- o Normal slidage
- o Misbrug, forkert brug, ulykker eller gentagne slag
- o Fejlagtig håndtering/brug eller fejlagtig rengøring/vedligeholdelse
- o Ændringer eller tilpasninger af produktet

Derudover yder HOWE ikke garanti ved:

- o Ændringer i overfladebelægninger på grund af aldring, ridser, mærker, pletter eller andre skader som følge af almindelig slid og brug samt skader som følge af kontakt med skarpe eller hårde genstande
- o Ændringer i overfladebelægninger på grund af udsættelse for lys
- o Oxidering af udendørs-behandlede stolestel
- o Naturlige variationer i træets årer, farver eller teksturer samt ved karaktermærker i træet
- o Kundestof og kundelæder (COL & COM)
- o Mærker i stof eller læder efter stabling
- o Alle servicedele, hvilket betyder alle bevægelige og mekaniske dele

- Kundetilpassede løsninger
- Læder: Mærker såsom ar, insektbid, rynker og nakkefolder. Dette ses som skønhedsmærker, der reflekterer et dyrs normale liv

HOWE anbefaler at vælge krom stel på alle 40/4 stole, hvor kontinuerlig brug er formålet. Vær opmærksom på, at kontinuerlig brug af 40/4 stole med pulverlakerede stel kan betyde, at malingen skaller af eller får ridser over tid. Dette betragtes som normal slitage og dækkes derfor ikke af HOWE garantien.

Garanti ved levering af originale delkomponenter

Møbelprogrammer fra HOWE A/S er udviklet med fokus på holdbarhed og tidløst design. Hvis produktionen af et produkt indstilles er alle originale komponenter tilgængelige i 5 (fem) år fra den dato, hvor produktionen blev indstillet. Er en komponent til et udgået produkt af en eller anden årsag ikke længere tilgængelig, tilbydes i stedet et tilsvarende produkt.

Hvis produktionen af David Rowlands 40/4-stol indstilles, er alle originale komponenter tilgængelige i 10 (ti) år fra den dato, hvor produktionen blev indstillet.

Garantien omfatter ikke modifikationer og opgraderinger af produkter og komponenter.
